Graduating Class of 1968
St. Joseph College
Yokohama, Japan

To The Class of '68:

Congratulations to you on this important occasion of your graduation from St. Joseph College.

You have witnessed the beginning changes in our physical plant, our educational program and our meeting the commitments of the Yokohama community.

As graduates of 1968, we ask you to remember that the changes in the world of today have a strong bearing upon your future, a future which will mature you to a greater extent. However, always remember that changes only take place in the method-of-operations and that the fundamental principles (True Principles) do not change. These principles must be adapted to the condition of time in which we are living.

Such is the case today. You have received a solid foundation from your teachers and parents. Always carry these principles with dignity and your life with its varied problems will be a happy one.

Your Faculty and Fellow-Students extend to you their sincerest wishes and thank you for the many wonderful examples of the SJC Family Spirit.

God bless you. May our Blessed Mother guide you always as she guided her Son.

Hold to your school motto "FORWARD WITH FAITH & FORTITUDE."

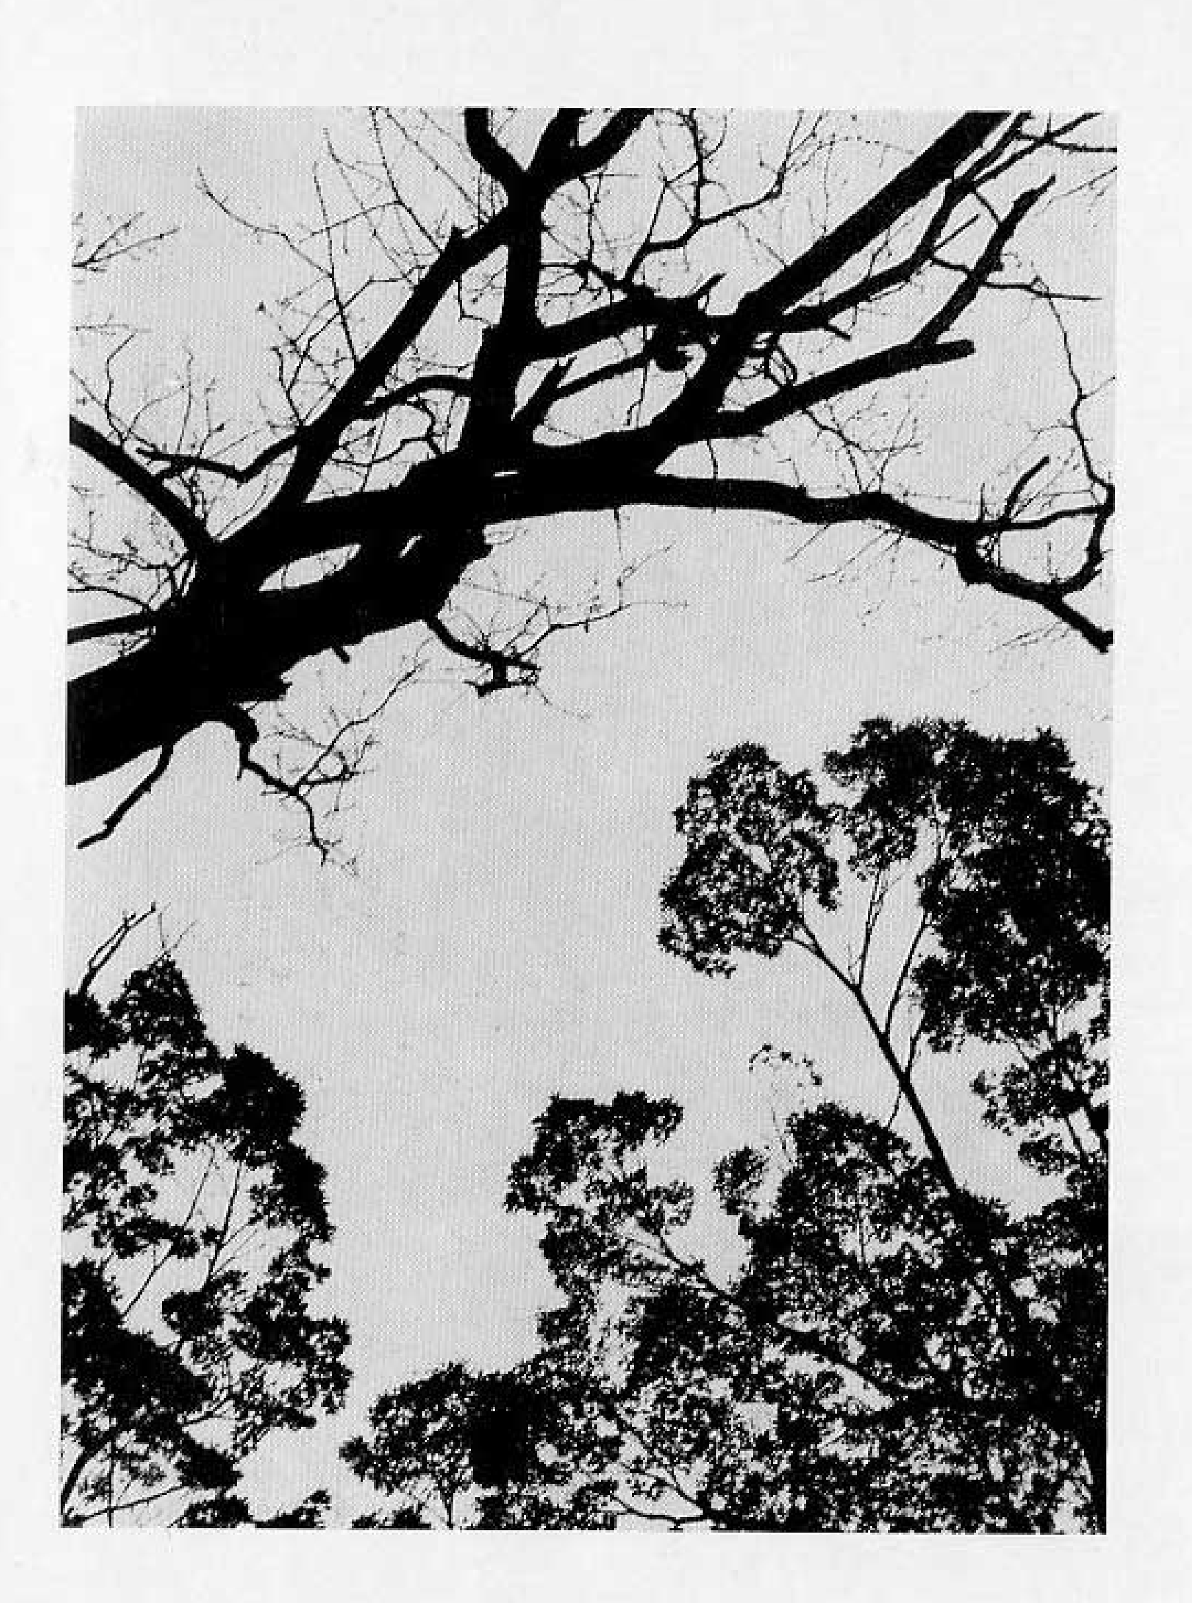

Sincerely yours in J.M.J.
